- Made in Denmark
- Developed with children
- Low-maintenance
- Sustainable materials
- Fully certified

## Springers for every game

Elephants live in Africa and India. Yellow elephants live on playgrounds equipped by LEDON.

LEDON Originals has a large selection of springers shaped like animals and vehicles. All the springers are ideal for role-playing – feeding the horse, mending the motorcycle etc. In addition, they strengthen motor skills and balance, as the children need to use their arms and legs to hold on while rocking back and forth.

The springers are all made of low-maintenance materials with ergonomic nylon handles that minimise the risk of dental damage and ensure that children's hands do not stick to them in frosty weather.

## Why choose LEDON Originals?

- The safe choice – a series of proven playground favourites for generations.
- Play equipment manufactured to the high quality for which we are known and with a focus on safety.
- Individual pieces of play equipment that can enhance the play value of existing playgrounds.
- A wide range of play equipment to suit every need.

## Specifications

### Article number

4131,0: In-ground mounting  
4131,1: Surface mounting

### Recommended ages

From 2 years

### Product dimensions (LxWxH)

87 x 35 x 84 cm

### Area requirement incl. safety distances (LxW)

287 x 235 cm

### Max. fall height

50 cm

### Recommended ages

1 person 1 hour

### Other details

This product can be installed directly on grass without additional fall protection
