- Made in Denmark
- Developed with children
- Low-maintenance
- Sustainable materials
- Fully certified

Seesaw fun in the waves

Hop on the windsurfer, and plough through the waves at full speed. The windsurfer is an innovatively designed seesaw that encourages role-play. It has room for several children, both small and large. Would you like it in a different colour? Then take a closer look at Windsurfer, Pirates and Windsurfer, Marina.

The seesawing movements back and forth support and stimulate children's play and creativity. Role-play is important for children's social and emotional development, as pretending to be someone else helps them to develop empathy and to better understand their own emotions. This is also important in other social contexts, for example at school.

The seesaws are all made of durable and low-maintenance polyethylene, which is also UV-stabilised and therefore comes with a five-year warranty against significant colour fading.

Why choose LEDON Originals?

- The safe choice – a series of proven playground favourites for generations.
- Play equipment manufactured to the high quality for which we are known and with a focus on safety.
- Individual pieces of play equipment that can enhance the play value of existing playgrounds.
- A wide range of play equipment to suit every need.

Specifications

Article number

302210C: Surface mounting
302210G: In-ground mounting

Recommended ages

From 2 years

Product dimensions (LxWxH)

141 x 60 x 187 cm

Area requirement incl. safety distances (LxW)

441 x 360 cm

Max. fall height

45 cm

Recommended ages

1 person 4 hours

Other details

This product can be installed directly on grass without additional fall protection
