

Low-maintenance  
play equipment  
in recyclable materials

## About LEDON

We are a family business which for three generations has been developing play equipment together with and for children. For more than 50 years, we have – as a playground company – specialised in supplying low-maintenance playgrounds made of recyclable materials for public use.

The last 25 years Online Playgrounds and LEDON have been close partners, and together we work to give children their dream playgrounds.

## Why choose LEDON?

We develop all our play equipment together with children

Danish production and quality

Low-maintenance and recyclable materials

Theme playgrounds inspire play

Safety approved according to EN 1176

## Warranties

### 20 year warranty

HDPE panel parts, steel posts and top beams, steel floor beams and frames, other galvanised structural parts and stainless-steel components.

### 10 year warranty

Other galvanised fittings, injection-moulded components and PE and PA6 components.

### 5 year warranty

Painted metal parts, springs, ropes and nets, transparent polycarbonate domes and windows and rotation-moulded PE tube slide tubes.

### 2 year warranty

Movable metal and plastic parts

## MiniPlay LEDON

MiniPlay creates learning environments that support children's well-being, learning, development and education. In designing the series, the focus has been on incorporating age-appropriate activities and features for children aged 0-4 years old.

## Pirates LEDON

You're on unsteady ground when the pirate ships set sail towards the Seven Seas. Pirate ships, treasure islands and ferocious crocodiles provide the backdrop to vivid seafaring tales filled with play and imagination for children aged 2-8 years.

## Explore LEDON

The off-roader whizzes through the jungle, the monkeys swing from the vines, while giraffes and elephants keep watch over the savannah. Embark on a journey of discovery and explore a whole new world with jungle huts, rope tunnels and thrilling slides for children aged 2-8 years.

## CASTLE LEDON

The knight's shield gleams among the ruby-coloured roofs, while torches cast colourful shadows across the suspension bridge. It takes courage, strength and, above all, an element of shrewdness to move around LEDON Castle. All princes and princesses aged 2-6 years are welcome.

## BASIC LEDON

LEDON Basic is a competitively priced series of play equipment in an urban and timeless design which requires a minimum of maintenance. In designing the series, one particular focus area was supporting the basic elements of children's physical and motor development in the 2-12-year-old age group.

## Originals LEDON

LEDON Originals pays homage to the favourite items of playground equipment which have been bestsellers for decades. All the popular playground equipment which is still a must when children aged 2-10 years are having fun in the playground.
